RE: Freedom of Information Act Request
FOIA Control No.: 18-FI-HQ-00218

Dear Mr. Evers:

This letter is the fourth interim response to your Freedom of Information Act (FOIA) request dated and received on November 2, 2017. The FOIA request is currently the subject of litigation you filed in U.S. District Court for the District of Columbia, *American Oversight v. U.S. Department of Commerce, et al.*, Civil Action No. 18-0534. You asked for copies of all calendars or calendar entries for any of the following individuals employed by the Department of Housing and Urban Development between the date of January 20, 2017, to the date a search is conducted, including any calendars maintained on behalf of these individuals (e.g., by an administrative assistant or a scheduler):

1. Secretary Ben Carson.
2. Pamela Hughes Patenaude, Deputy Secretary.
3. Sheila Greenwood, former Chief of Staff.
4. Deana Bass, former Deputy Chief of Staff.
5. Calendars maintained for the Secretary's Conference Room.
6. Calendars maintained for the Deputy Secretary's Conference Room.

Your request is granted in part. In a letter dated August 10, 2018, you were informed the Department had processed 647 pages of the search results for this request. In a letter dated September 11, 2018, you were informed the Department had processed 1,016 additional pages (released 1,014 pages on that date). In a letter dated October 12, 2018, you were informed the Department had processed an additional 894 pages of the search results. The Department has processed an additional 1,127 pages for this fourth interim release. This release consists of the calendar entries of Sheila Greenwood, former Chief of Staff. The Department is withholding access codes, cell phone numbers, personal appointments (medical and children's), personal events (weddings, baptisms, children's events), homeowner and family member names, home addresses, frequent flyer numbers, private discount codes, and personal email addresses under Exemption 6 of the FOIA, because release of such information would constitute an unwarranted invasion of personal privacy. The interest of the general public in reviewing these portions of government documents does not outweigh the individuals' right to privacy.

OVERSIGHT

The Department is still reviewing records that may be responsive to your request. A final response letter will be sent to you at the completion of the review process.

For your information, your FOIA request, including your identity and any information made available, is releasable to the public under subsequent FOIA requests. In responding to these requests, the Department does not release personal information, such as home address, telephone number, or Social Security number, all of which are protected from disclosure under FOIA Exemption 6.

If you have any questions regarding your request, you may contact Eugene McGirt at (202) 402-4315. Thank you for your interest in the Department's programs and policies.

Sincerely,

DEBORAH SNOWDEN

Good Morning Team-

As part of our efforts to reimagine the way HUD works, we have invited scholars from the Mercatus Center at George Mason University to give a one and a half hour training session on regulatory reform to all political appointees. This will take place next Wednesday immediately following our all-political meeting, at 10:30am.

I understand many of you have busy schedules, but please make a concerted effort to attend at least part of this training session and collect the materials and books they have promised to provide.

Thank you all, and keep up the good work!

David

Dear Ben,

It was great chatting with you today. As I mentioned, I'm a HUD colleague (Deputy Assistant Secretary-Chief Management Officer). I'm currently on loan to the Combined Federal Campaign (CFC) on behalf of HUD and Secretary Carson, this year's CFC Honorary Chairperson, to help ensure the Campaign's success, about which the Secretary is very passionate. You can reach me at either this CFC email address or my HUD email address (cc'd above). My HUD mobile phone is (b)(6) and my CFC office phone is 202-465-7235.

Thanks so much for agreeing to collaborate with CFC and me to coordinate the Secretary's schedule with individual government agency CFC Campaign events!

Attached are 1) the September 26 CFC Leadership Conference announcement; 2) a list of all the key dates across the entire CFC fundraising campaign, including a list of scheduled "Causes of the Week;" and 3) a copy of the letter inviting the Secretary to be the CFC Honorary Chairperson.

Thanks for the list of good dates in October and for offering to reserve other dates for us. We will definitely focus agencies on the week of October 9th for kick-off events (especially the 10th and 13th), as well as October 26th for other follow-on events. We'll let you know as soon as we get confirmed requests for the Secretary's appearance. For planning purposes, a drop-in appearance (10 to 20 or 30 minutes) and short remarks (5 to 10 minutes) at individual events would be adequate. Of course, agencies would welcome whatever time they can get, but the most important thing is

AMERICAN OVERSIGHT

to get the Secretary in front of as many agencies as possible. To that end, we are encouraging joint events to make the best use of his limited time.

One additional special request is for the Secretary to stop by the CFC offices (17th & H, NW) briefly to meet and greet the HQ Campaign team when he is planning to be in the neighborhood – for White House or OMB meetings, for example. It would be a huge boost to the team. Just let me know if you think that might be possible when he is in town in early October and I'll coordinate everything with you.

As for agency-specific Campaign kick-offs, so far, I can tell you that there are dates and times already planned by some of the larger agencies as follows. If there is any chance that the Secretary can make an appearance and speak at any of these it would be fabulous. Just let me know his specific time availability and I will put you in touch with the specific agency Campaign Manager and CFC Loaned Executive for the agency.

* September 27 – HHS/NIH at NIH main campus in Bethesda, 11:00 am – 1:00 pm
* October 3, 2017 – USPS-HQ, 470 L'Enfant Plaza, SW time TBD
* October 5, 2017 – DOT, 1200 New Jersey Ave SE, 10:00 am – 2:00 pm
* November 2 – Commerce HQ, 1401 Constitution Ave, NW, 10:00 am – 12:00 pm
* November 6 – NSF, 2415 Eisenhower Ave., Alexandria, VA, time TBD

As for other important dates for us, they are as follows:

* September 25, 2017 – CFC Leadership Conference (9:00 am –10:00 am)
* November 2, 2017 – Show Some Love Day to showcase charitable causes (The Campaign theme is "Show some Love")
* November 28, 2017 – Giving Tuesday
* December 5, 2017 – International Giving Day

Finally, we understand that the Secretary is interested in possibly participating in a CFC volunteer activity. If you could let me know of particular causes or charities that he cares most about, we can identify some scheduled CFC volunteer events for his consideration.

Many thanks for your help Ben! I very much look forward to collaborating with you and to meeting you at next week's HUD Town Hall or before.

Best regards,
Nancy

I. PURPOSE

To learn best practices from the private sector on how to assist prisoners with the difficult task of reentering society, including

AMERICAN OVERSIGHT

mentoring during incarceration, vocational education, and job placement post incarceration.

II. BACKGROUND

There are over six million Americans currently incarcerated in the criminal justice system. Citizens living with a criminal record have difficulty securing vital resources such as housing, education, and employment post incarceration. This is a critical problem as it prevents former inmates from being productive members of society, as well as increasing the likelihood of reincarceration.

Throughout America there are many groups working on addressing the difficult notion of how to best assist inmates. The Office of American Innovation will bring together leaders in various fields with expertise in mentoring, training and reentry needs to start building a plan of a comprehensive prison reentry initiative.

OCHCO Leadership Journey Series: John Benison

Each of HUD's Senior Leaders has their own individual story of how they journeyed to become the leaders they are today. Some have travelled many miles, while others began their journey just down the street. Regardless, their journey has brought them to HUD to serve and lead us into the future.

Please join OCHCO for our next conversation in the Leadership Journey Series, when we talk with John Benison, Director, Office of Departmental Employment and Equal Opportunity, about his journey to become a HUD Leader.

For those viewing via webcast, you may send questions in advance or during the session to LeadershipJourneySeries@HUD.gov <mailto:LeadershipJourneySeries@HUD.gov> .

No problem...Stan and I already talked about giving her a full briefing upon my return. We already have a slide deck so we can just fine tune it.

Janet - just a heads up Pam mentioned to us she'd like a wide briefing on Disaster. Funding/WH engagement/execution etc - the whole thing. Alex Stowe (cc'ed - her spec assistant) should be scheduling something soon. Can you verify the attendees once it is set up and let him know if anyone was missed that could give her the full picture? I'd suggest you lead the meeting in terms of what to cover, etc and we should do it when you are back in person next week.

Thank you.

Sheila,

Thank you for agreeing to give opening remarks at OGC's Field and Headquarters Managers Seminar. I have attached the agenda. Beth will introduce you and then the floor is yours for 15 minutes. Please let me know if you want me to draft any bullet points for your remarks.

After you speak, Beth will be giving out service pins and the Distinguished Service Award.

It would be great if Eunice could send me a copy of your biography so we can include it in the course materials. If you have any materials that you would like us to include, we need them by COB on Wednesday, September 6.

Thank you so much,

Linda

Subject: Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracts for 2018 (FR-6043-N-01)

David/Hunter/Janet - Good morning. I just wanted to let you know that our Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracts for 2018 (FR-6043-N-01) notice is ready to submit to the Federal Register for publication.

As you may know, under 26 U.S.C. 42(d)(5)(B)(iii), for purposes of the LIHTC, HUD must designate DDAs, which are areas with high construction, land, and utility costs relative to area median gross income. This notice designates DDAs for each of the 50 states, the District of Columbia, Puerto Rico, American Samoa, Guam, the Northern Mariana Islands, and the U.S. Virgin Islands. The designations of DDAs in this notice are based on modified Fiscal Year (FY) 2017 Small Area Fair Market Rents (Small Area FMRs),

AMERICAN OVERSIGHT

FY2017 income limits, and 2010 Census population counts, as explained below.

> Similarly, under 26 U.S.C. 42(d)(5)(B)(ii), HUD must designate QCTs, which are areas either in which 50 percent or more of the households have an income which is less than 60 percent of the area median gross income for such year or which have a poverty rate of at least 25 percent. This notice designates QCTs based on new income and poverty data released in the American Community Survey (ACS). Specifically, HUD relies on the most recent three sets of ACS data to ensure that anomalous estimates, due to sampling, do not affect the QCT status of tracts.

Please let me know if you have any questions regarding this matter.

Thank you. Aaron

Subject: Small Area Fair Market Rents

Hi folks

Updated Plan (from 8/1 meeting):

Todd spoke to OMB, no problems there.
Monday (8/7) - Secretary signs the memo.
PDR (hopefully) publishes the Interim Evaluation report
PIH reaches out to CLPHA, NAHRO, PHADA.
PDR reaches out to NLIHC, CBPP.
Letters are prepared to be mailed out before end of week.
Signed by PIH GDAS.

Primary talking point: The research shows that SAFMR reduces the number of units available to tenants, PHAs need adequate time to recruit landlords to ensure a smooth transition to Small Area FMRs.
Secondary point: This only delays the mandatory component of the rule, PHAs may choose to implement Small Area FMRs if they wish.

AMERICAN OVERSIGHT

FAQ's are attached, feel free to offer edits/additions.

*** OLD MESSAGES ***

This will be the follow-up meeting to the meeting we had on Thursday.

Here is my understanding of next steps:

PDR will lead development of FAQs
PIH will lead contact with select PHAs/Industry Groups
Need a "tic-toc" - PDR and PIH will develop
COS will get Secretary signature.
PIH will send letter to PHAs followed by a message from PIH to all PHAs.
Public Affairs and CIR will field any media or congressional inquiries.

Points of Contact on answering questions:

PDR: Todd Richardson, Kurt Usowski, Peter Kahn
PIH: Danielle Bastarache, Mike Dennis

There is some urgency because absent action approximately 200 PHAs will be required to implement rule on October 1.

Background:

PDR and PIH are moving forward with changing how Small Area FMRs are implemented. This may invite Congressional and Media inquiries. This meeting is to give a briefing to Public Affairs and CIR staff on the topic, likely questions, and who might like/not like the changes.

Hi Jacie and Sheila,

We would like to invite Secretary Carson to participate in a forum on Wednesday, July 26th. The House Republican Conference is working in conjunction with the White House and we have initiated a program called "Meet the Cabinet." The purpose is to create a forum for the Cabinet to get to know the House Republican Conference. The conference will take place approximately 9 am. Secretary Carson will have an opportunity to meet with the Speaker and the elected leadership, relevant committee chairmen, and to address the Republican Conference. Members have been fully engaged and we have received great reviews thus far. We will send the event flow if he is available to make the meeting.

Please don't hesitate to reach out with any questions.

Best,

Gabriella Uli

Secretary Kelly, as the principal federal official for domestic incident management, invites your Department or Agency head to participate in a Federal Emergency Management Agency (FEMA) led Hurricane Season Preparedness seminar and exercise. The exercise will be held on June 12, 2017 from 2:00pm to 3:30pm at FEMA's National Response Coordination Center (NRCC) in Washington, DC. A formal invitation and exercise package with the necessary logistics and prep materials will follow in the next few days. The full list of invited agencies and entities is provided at the bottom of this email.

Your Department has responsibilities under Federal response doctrine and articulated further in the National Response Framework (NRF) during a declared disaster or other major emergency. It is

AMERICAN OVERSIGHT

important that you understand your Department's roles and we hope that your principal can participate. DHS and FEMA have designed the seminar as a no fault, learning experience presented in a "table top exercise" format.

Background: Your Department or Agency is designated as an NRF Emergency Support Function (ESF) Coordinator, Primary, or Support Agency. ESFs are the functions needed to provide Federal support for disasters and emergencies and designate the following member roles:

- ESG Coordinating Agency – responsible for managing a particular ESF.
- ESF Primary Agency – providing significant authorities, roles, resources or capabilities for a particular function within an ESF.
- ESF Support Agency – providing specific capabilities or resources that support the primary agency in executing an ESF.

Please note that an agency may be a Coordinator, Primary Agency, or Supporting Agency for more than one ESF.

Seminar Logistics:

- RSVP: Please RSVP to Chad Gorman, Director of the FEMA National Exercise Division at (202) 646-4683 or via email at nep@fema.dhs.gov <mailto:nep@fema.dhs.gov> by May 26, 2017.
- Location: National Response Coordination Center, FEMA Headquarters, 500 C St., SW, Washington, DC 20472
- Date and Time: June 12, 2017, 2:00 PM to 3:30PM.

If you have any questions, please don't hesitate to contact me.

Reimagine HUD: Pre-Work Instructions

We deeply appreciate all that you do. For that reason, we will be relying on your ideas, data and leadership throughout this process to inform our final product and shape HUD's future. This Friday's meeting will be focused on Reimagining HUD through operations.

AMERICAN OVERSIGHT

The top ideas suggested by the GDAS at last week's kick off meeting are listed below.

* Implement a Customer Relations Management (CRM) system and consolidated call center (Empower the Field)
* Build Enterprise Data Warehouse (Improve Data Quality and Use)
* Create operations forums to allow programs to communicate feedback and establish CXOs as service providers (Internal Communications)
* Increase flexibility for realigning staff to critical skills gaps (Skills Fit)
* Enhance Bureau of Financial Services (BFS) accountability (Standardize and Streamline Support Functions and Processes)
* Implement innovative IT service delivery (digital services, cloud, etc) (Standardize and Streamline Systems)

We would like you to validate these ideas and let us know if we are missing anything big. At this meeting, we would like to come out with a shared vision and beginning developing milestones for each of these thematic areas.

Before you attend Friday's meeting, we ask that you fill the following pages with any data, ideas or names you might have. Since there are six topic areas, there are six areas to complete. Please use the template below as a guide. This work is due to Henry.Hensley@hud.gov <mailto:Henry.Hensley@hud.gov> by NOON on Thursday (June 22). Please direct any questions you may have to Henry and the OSPM team.

1. Responsibly balance our role to increase homeownership while modernizing and maintaining the financial viability of our efforts.

2. Reduce burdensome regulations to empower our partners and customers.

3. Fulfill our duty to those who served in the military and finally end homelessness among veterans.

Can these actions be implemented in 30 days, 180 days, or more than 1 year? These suggestions should represent your priority actions for improvement with no more than 4-6 ideas.

All,

AMERICAN OVERSIGHT

This is just a friendly reminder that tomorrow's kick-off meeting is intended to engage all the GDAS or their designee. I am aware the invite was forwarded to others for homework purposes but I wanted to make sure we were all on the same page about attendance. I look forward to tomorrow, many thanks!

---

Greetings,

I am pleased to invite you to HUD's Reform Plan Kickoff on June 15th at 2:30 pm. This initial introduction to the Reform Plan will also highlight the Strategic Plan and the HR portion of the Reform Plan through brief overviews.

To ensure a productive meeting, please fill out the chart below and email it back to Henry Hensley at henry.hensley@hud.gov <mailto:henry.hensley@hud.gov> by Tuesday, June 13, COB. Your answers will be synthesized by OSPM and utilized for an interactive activity during the meeting. Your feedback is critical for a productive meeting. Please review and consider the attached Risk Register as you fill in the chart.

> I am excited to kickoff HUD's planning process with you! This meeting represents the start of our process, but it is just one of many opportunities for your voice to be heard. Follow up meetings will be organized with HUD staff and stakeholders to capture more ideas as we collaborate to build a vison for HUD's future.

Best,

David Eagles

OCHCO Leadership Journey Series: David Eagles

Each of HUD's Senior Leaders has their own individual story of how they journeyed to become the leaders they are today. Some have travelled many miles, while others began their journey just down the street. Regardless, their journey has brought them to HUD to serve and lead us into the future.

Please join OCHCO for our next conversation in the Leadership Journey Series, when we talk with David Eagles, Chief Operating Officer, about his journey to become a HUD Leader.

The deep dive into FHA financial condition begins. We have also hired a very good/deep outside actuarial firm to replace the retiring 8A contractor that has been doing the studies to support our annual report to Congress and annual FHA reports. Today, there is a kick off meeting for our FHA forecasting efforts. The Credit Reform Board is mandated and will design and run cash flow models on FHA claims, premiums and capital levels.

I ran a similar effort at Fannie Mae forecasting all the Mortgage Insurers. The proposed board charter and composition are a good start but I think the HUD CFO should be a member and I would move the proposed SF, MF and Heathcare DAS memberships to subcommittee advisors. The lead process team for this would be Finance and Risk and until we have a FHA Commissioner, I would like to be the designated Chair.

SOHUD will drop by

"Former Congressman Bob Livingston would like to request an appointment with Secretary Carson. Bob would like to bring Al Faber, President and CEO of the Baldrige Foundation, and Molly Baldrige, daughter of former Commerce Secretary Malcolm Baldrige, by to see Secretary Carson as soon as his schedule will allow. They won't need more than 15 minutes of his time.

The Baldrige Program, an office within the National Institute of Standards and Technology (NIST) has been successful since its inception in 1987. Since Fiscal Year 2012, the private Baldrige Foundation has paid salaries and expenses for employees and program operations at NIST from its own foundation assets.
Baldrige drives growth in business and manufacturing resulting in more jobs, sets standards to improve cost and quality of healthcare in the US, and is driving improvements in efficiency and student performance in our schools and higher education. Additionally, the Baldrige Program is working with the private sector to develop the Baldrige Cybersecurity Excellence Framework. This framework will build on the world-class NIST Cybersecurity Framework to develop a program that will identify and share best practices to strengthen America's cybersecurity infrastructure. This initiative also has the support of cybersecurity industry leaders from across the country. In order to ensure the continuation of the Baldrige Performance Excellence Program, the program needs FY 2018 federal funding restored in the federal budget. It is a small funding request with enormous impact across the nation, and in every sector of the economy. It will also provide funding for the much needed Baldrige Cybersecurity Excellence Framework and Community of Excellence initiative."

Janet, I understand Nancy has discussed with you a strategy for pursuing default on the current Eureka REAC inspection. Attached is a draft letter. I asked Shaun to set up a meeting for next Tuesday or Wednesday (or any other day that works on your schedule) for us to have a discussion on Eureka. We thought you might want to see the letter in advance.

Hello all -

Thanks for all your work thus far to brief the Beach Head Team on key issues and regulations. Office Presentations are now scheduled for the next two weeks with Secretary Carson.

AMERICAN OVERSIGHT

Logistics: All meetings will be in the Secretary's Conference Room. They will last 1-2 hours - because they are scheduled tightly, please arrive a few minutes early and be ready to present on time.

Presentations: These briefings will be done electronically. By 1:00pm the afternoon before your presentation, please send your completed PPT to Anne Gribbin, Sheila Greenwood, Maren Kasper, Craig, and myself and cc: DeShaunta Franklin and Tanya Daggett. If your presentation is on a Monday, please send your presentation no later than 2:00 PM on the Friday before the weekend. Please bring up to (4) staffers you believe to be crucial to the content of the presentation or ability to answer questions. Also, please have print-outs available in case we experience technological difficulties.

Areas of focus: As indicated in the template (re-attached here), the goals of these presentations are to deliver key information to Secretary Carson and allow him and key staff to answer questions about your offices. Please plan your presentation to ensure that you address everything in the template, including any Items Requiring Immediate Attention.

I welcome questions - and appreciate your ongoing support.

Thank You!

Janet

Subject: HUD International Engagement Policy

Pam, David, Sheila, and Andrew

I need to know (1) what our general policy should be for international engagement; and (2) who should be the "decider" in respect to HUD staff overseas travel.

Current Policy

Cindy Campbell in IPI has been implementing our international engagements in a "business as usual" style. That is, the State Department requests that HUD attend an international meeting to discuss Housing or Urban Development issues and we send someone. Normal course of business would be HUD sends an Assistant Secretary

AMERICAN OVERSIGHT

with support from IPI. HUD's role is to provide and receive information. There is no obligation beyond that. There is a cost – for travel and the time of the staff people who attend. There can be a benefit to HUD in terms of things we learn from other countries. We gained a good deal of knowledge from the Netherlands when thinking about building more flood smart infrastructure post-Sandy. Similarly, Chile created a housing voucher program after visiting with HUD staff to discuss our program. We currently have a good conversation with Japan on aging in place. We might gain from discussions with other countries on their shallow subsidy rent support programs. Perhaps there is something to be learned to support our housing finance reform conversations.

Planned Events and questions.

1. For an October 16th meeting with senior ministry officials of Israel at the State Department, Neal Rackleff in CPD is attending on HUD's behalf.
2. The World Urban Forum is February 8-13, 2018 in Kuala Lumpur, Malaysia. Past policy would have the Secretary (or Deputy Secretary) attend as the US representative to this international meeting on urban issues held every two years. Do we want to continue with that policy?
3. The United Nations Economic Commission for Europe (UNECE) is meeting on housing and land administration annual meeting in Geneva, Switzerland November 7-10, 2017. Past Policy would send an Assistant Secretary. We are currently proposing that I attend. Do we want me to attend, do we send someone else, or do we inform State Department we will not be attending?
4. There is an OECD meeting on Urban Policy December 5-8, 2017 in Paris, France. Past Policy would send an Assistant Secretary with IPI support. Do we want to send someone? Who? Or do we inform State Department we will not be attending?
5. The Secretary is traveling to the US-Japan Aging forum in Tokyo, Japan December 2-9, 2017. Does the Secretary want IPI staff support at this meeting? If so, is Cindy Campbell approved to attend?

Thanks,

I will be sending an invite for tomorrow that hopefully we can get decisions on all of these events and more broadly establish our going forward policy on international engagement.

Thanks,

Todd

Normal course of business would be HUD sends an Assistant Secretary with support from IPI. HUD's role is to provide and receive information. There is no obligation beyond that. There is a cost - for travel and the time of the staff people who attend. There can be a benefit to HUD in terms of things we learn from other countries. We gained a good deal of knowledge from the Netherlands when thinking about building more flood smart infrastructure post-Sandy. Similarly, Chile created a housing voucher program after visiting with HUD staff to discuss our program. We currently have a good conversation with Japan on aging in place. We might gain from discussions with other countries on their shallow subsidy rent support programs. Perhaps there is something to be learned to support our housing finance reform conversations.

Planned Events and questions.

1. For an October 16th meeting with senior ministry officials of Israel at the State Department, Neal Rackleff in CPD is attending on HUD's behalf.
2. The World Urban Forum is February 8-13, 2018 in Kuala Lumpur, Malaysia. Past policy would have the Secretary (or Deputy Secretary) attend as the US representative to this international meeting on urban issues held every two years. Do we want to continue with that policy?
3. The United Nations Economic Commission for Europe (UNECE) is meeting on housing and land administration annual meeting in Geneva, Switzerland November 7-10, 2017. Past Policy would send an Assistant Secretary. We are currently proposing that I attend. Do we want me to attend, do we send someone else, or do we inform State Department we will not be attending?
4. There is an OECD meeting on Urban Policy December 5-8, 2017 in Paris, France. Past Policy would send an Assistant Secretary with IPI support. Do we want to send someone? Who? Or do we inform State Department we will not be attending?
5. The Secretary is traveling to the US-Japan Aging forum in Tokyo, Japan December 2-9, 2017. Does the Secretary want IPI staff support at this meeting? If so, is Cindy Campbell approved to attend?

Thanks,

AMERICAN OVERSIGHT

I will be sending an invite for tomorrow that hopefully we can get decisions on all of these events and more broadly establish our going forward policy on international engagement.

Thanks,

Todd

Subject: Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracts for 2018 (FR-6043-N-01)

David/Hunter/Janet - Good morning. I just wanted to let you know that our Statutorily Mandated Designation of Difficult Development Areas and Qualified Census Tracts for 2018 (FR-6043-N-01) notice is ready to submit to the Federal Register for publication.

As you may know, under 26 U.S.C. 42(d)(5)(B)(iii), for purposes of the LIHTC, HUD must designate DDAs, which are areas with high construction, land, and utility costs relative to area median gross income. This notice designates DDAs for each of the 50 states, the District of Columbia, Puerto Rico, American Samoa, Guam, the Northern Mariana Islands, and the U.S. Virgin Islands. The designations of DDAs in this notice are based on modified Fiscal Year (FY) 2017 Small Area Fair Market Rents (Small Area FMRs), FY2017 income limits, and 2010 Census population counts, as explained below.

> Similarly, under 26 U.S.C. 42(d)(5)(B)(ii), HUD must designate QCTs, which are areas either in which 50 percent or more of the households have an income which is less than 60 percent of the area median gross income for such year or which have a poverty rate of at least 25 percent. This notice designates QCTs based on new income and poverty data released in the American Community Survey (ACS). Specifically, HUD relies on the most recent three sets of ACS data to ensure that anomalous estimates, due to sampling, do not affect the QCT status of tracts.

Please let me know if you have any questions regarding this matter.

Thank you. Aaron

Secretary Kelly, as the principal federal official for domestic incident management, invites your Department or Agency head to participate in a Federal Emergency Management Agency (FEMA) led Hurricane Season Preparedness seminar and exercise. The exercise will be held on June 12, 2017 from 2:00pm to 3:30pm at FEMA's National Response Coordination Center (NRCC) in Washington, DC. A formal invitation and exercise package with the necessary logistics and prep materials will follow in the next few days. The full list of invited agencies and entities is provided at the bottom of this email.

Your Department has responsibilities under Federal response doctrine and articulated further in the National Response Framework (NRF) during a declared disaster or other major emergency. It is important that you understand your Department's roles and we hope that your principal can participate. DHS and FEMA have designed the seminar as a no fault, learning experience presented in a "table top exercise" format.

Background: Your Department or Agency is designated as an NRF Emergency Support Function (ESF) Coordinator, Primary, or Support

AMERICAN OVERSIGHT

Agency. ESFs are the functions needed to provide Federal support for disasters and emergencies and designate the following member roles:

- ESG Coordinating Agency – responsible for managing a particular ESF.

- ESF Primary Agency - providing significant authorities, roles, resources or capabilities for a particular function within an ESF.

- ESF Support Agency - providing specific capabilities or resources that support the primary agency in executing an ESF.

Please note that an agency may be a Coordinator, Primary Agency, or Supporting Agency for more than one ESF.

Seminar Logistics:

- RSVP: Please RSVP to Chad Gorman, Director of the FEMA National Exercise Division at (202) 646-4683 or via email at nep@fema.dhs.gov <mailto:nep@fema.dhs.gov> by May 26, 2017.

- Location: National Response Coordination Center, FEMA Headquarters, 500 C St., SW, Washington, DC 20472

Reimagine HUD: Pre-Work Instructions

AMERICAN OVERSIGHT

We deeply appreciate all that you do. For that reason, we will be relying on your ideas, data and leadership throughout this process to inform our final product and shape HUD's future. This Friday's meeting will be focused on Reimagining HUD through operations.

The top ideas suggested by the GDAS at last week's kick off meeting are listed below.

* Implement a Customer Relations Management (CRM) system and consolidated call center (Empower the Field)
* Build Enterprise Data Warehouse (Improve Data Quality and Use)
* Create operations forums to allow programs to communicate feedback and establish CXOs as service providers (Internal Communications)
* Increase flexibility for realigning staff to critical skills gaps (Skills Fit)
* Enhance Bureau of Financial Services (BFS) accountability (Standardize and Streamline Support Functions and Processes)
* Implement innovative IT service delivery (digital services, cloud, etc) (Standardize and Streamline Systems)

We would like you to validate these ideas and let us know if we are missing anything big. At this meeting, we would like to come out with a shared vision and beginning developing milestones for each of these thematic areas.

Before you attend Friday's meeting, we ask that you fill the following pages with any data, ideas or names you might have. Since there are six topic areas, there are six areas to complete. Please use the template below as a guide. This work is due to Henry.Hensley@hud.gov <mailto:Henry.Hensley@hud.gov> by NOON on Thursday (June 22). Please direct any questions you may have to Henry and the OSPM team.

Hi, Sheila:

Just a reminder that we will be at HUD HQ with Caliber's CEO on the 17th of July at 11am to discuss their role and growth plan with FHA and GNMA. They are already one of the largest FHA originators and servicers and want to lean more heavily into the program. Please let me know if you can attend or if you are available to meet separately.

All the best,
Tim

Greetings,

I am pleased to invite you to HUD's Reform Plan Kickoff on June 15th at 2:30 pm. This initial introduction to the Reform Plan will also highlight the Strategic Plan and the HR portion of the Reform Plan through brief overviews.

To ensure a productive meeting, please fill out the chart below and email it back to Henry Hensley at henry.hensley@hud.gov <mailto:henry.hensley@hud.gov> by Tuesday, June 13, COB. Your answers will be synthesized by OSPM and utilized for an interactive activity during the meeting. Your feedback is critical for a

AMERICAN OVERSIGHT

productive meeting. Please review and consider the attached Risk Register as you fill in the chart.

> I am excited to kickoff HUD's planning process with you! This meeting represents the start of our process, but it is just one of many opportunities for your voice to be heard. Follow up meetings will be organized with HUD staff and stakeholders to capture more ideas as we collaborate to build a vison for HUD's future.

Best,

David Eagles

Meeting pre-work: Suggestions for agency improvement

1. Employee Effectiveness (EE), e.g. morale, training, communication

3. Programmatic Challenges (PC), e.g. major challenges to program delivery

Can these actions be implemented in 30 days, 180 days, or more than 1 year? These suggestions should represent your priority actions for improvement with no more than 4-6 ideas.

Hi Sheila - Hope you are well! You are probably at the House getting ready for the testimony (though it looks like it hasn't begun yet), but I wanted to connect with you to set up a meet and greet between Kathy and HUD leadership. Do you have some time to chat to see what may make sense? I don't know when the Deputy Secretary will be confirmed, but we're looking at Friday, June 30th.

Let me know when is a good time to give you a call.

Thank you in advance,

Jessica

Janet/Maren- Good morning!

I wanted to make you aware that Senator Scott's staff has asked for a meeting/call to discuss the National Homebuyers Fund. I'm not sure that the message is correct in suggesting that HUD has issued a communique on NHF or the DPA program. Nevertheless, given our recent discussion regarding nonprofits operating as governmental entities, I wanted to make sure that you had visibility to this prior to scheduling a briefing.

Please let me know if you have further questions.

Thank you. Aaron

Good afternoon Team HUD,

I hope this email finds you well - Rebecca and I have both met w/ representatives from the National Homebuyers Fund recently and have reviewed figures on how many homebuyers the non-profit has assisted in our respective states. We understand that there was some kind of communique from HUD to lenders on NHF in the past, and we both wanted more details about the Department's actions regarding this specific non-profit. Is your team able to brief us via a meeting/call in the near future?

Thank you in advance!

Organizer: Golrick, Janet M
Required Attendees: Greenwood, Sheila M; mkitchen@nahb.org; Clemmensen, Craig T

Upon arrival to the building, please come to the south lobby and have the guard to give me a call and I will come and escort you to the meeting. My telephone number is 202-402-4342. Thank you!

Dear Ms. Greenwood and Ms. Golrick,

The National Association of Home Builders looks forward to working with you and Secretary Carson to create a more vibrant role for the private market to expand the production of badly needed affordable housing. The nation's home builders share a commitment to improve housing opportunities available to lower-and moderate-income families living in the inner cities as well as rural and suburban communities.

To advance these goals, NAHB would appreciate the opportunity to meet with you at your earliest convenience. We are available during the next couple of weeks on the following dates and times:

* Wednesday, April 26: 1:00 - 2:00 PM
* Thursday, April 27: 2:00 PM - 3:00 PM
* Friday, April 28 10:30 AM - 1:00 PM

* Monday, May 1: 10:30 AM - 1 PM
* Tuesday, May 2: 1:00 PM - 2:30 PM

* Tuesday, May 9: 1:00 PM - 3:30 PM
* Thursday, May 11: 11:00 AM - 5:00 PM
* Friday, May 12: 10:30 AM - 1:00 PM

NAHB staff in attendance will include:

* David Ledford, Executive Vice President, Housing Finance and Regulatory Affairs;

AMERICAN OVERSIGHT

* Chellie Hamecs, Vice President, Housing Finance;
* Curtis Milton, Director, Single Family Finance; and
* Michelle Kitchen, Director, Multifamily Finance.

We would like to discuss constructive housing policies that support homeownership, provide rental housing opportunities for low- and middle-income households, and remove the regulatory barriers that are needlessly raising housing costs for hard-working families. Of particular interest to our members are topics such as:

* Implementation of the Trump Administration's regulatory reform agenda;
* The Federal Housing Administration's (FHA) important mortgage liquidity role;
* HUD's Proposed Rule, "Floodplain Management and Protection of Wetlands; Minimum Property Standards for Flood Hazard Exposure; Building to the Federal Flood Risk Management Standard;"
* Small Area Fair Market Rents under the Housing Choice Voucher Program; and
* Averting unintended consequences of employment, wage and energy mandates (ex. Section 3 Program)

,

We would be happy to provide greater detail on these subjects in advance of the meeting.

Thank you for your consideration. Please let me know if you have any questions.

Kindest regards,

Michelle

SOHUD will drop by

"Former Congressman Bob Livingston would like to request an appointment with Secretary Carson. Bob would like to bring Al Faber, President and CEO of the Baldrige Foundation, and Molly Baldrige, daughter of former Commerce Secretary Malcolm Baldrige, by to see Secretary Carson as soon as his schedule will allow. They won't need more than 15 minutes of his time.

AMERICAN OVERSIGHT

The Baldrige Program, an office within the National Institute of Standards and Technology (NIST) has been successful since its inception in 1987. Since Fiscal Year 2012, the private Baldrige Foundation has paid salaries and expenses for employees and program operations at NIST from its own foundation assets.
Baldrige drives growth in business and manufacturing resulting in more jobs, sets standards to improve cost and quality of healthcare in the US, and is driving improvements in efficiency and student performance in our schools and higher education. Additionally, the Baldrige Program is working with the private sector to develop the Baldrige Cybersecurity Excellence Framework. This framework will build on the world-class NIST Cybersecurity Framework to develop a program that will identify and share best practices to strengthen America's cybersecurity infrastructure. This initiative also has the support of cybersecurity industry leaders from across the country. In order to ensure the continuation of the Baldrige Performance Excellence Program, the program needs FY 2018 federal funding restored in the federal budget. It is a small funding request with enormous impact across the nation, and in every sector of the economy. It will also provide funding for the much needed Baldrige Cybersecurity Excellence Framework and Community of Excellence initiative."

AMERICAN OVERSIGHT

472 at 2:00 p.m. on March 15th. The purpose of the meeting is to lay out in more detail how we plan on organizing this effort and the data gathering and policy coordination it will entail. This will be the first of many meetings as we try to pull together an integrated approach to infrastructure.

Attached please find an agenda for the meeting and list of participants (if you would like to add a participant, please contact Austin first as space is limited), the memo and presentation handed out at the Principals' meeting on March 2nd, some background on FPISC, and an Executive Order on high-priority projects.

In terms of your involvement, we would like to hear any ideas you have that fall into 6 categories outlined in the attached memo. This meeting will not be long enough for us to discuss any ideas in depth. Instead, I would prefer to have you just give the group bullet points on potential avenues of exploration; so we are able to develop some synergy as a group.

If you have any questions, please reach out to Austin at austin_m_ramirez@who.eop.gov

Hello all -

Thanks for all your work thus far to brief the Beach Head Team on key issues and regulations. Office Presentations are now scheduled for the next two weeks with Secretary Carson.

Logistics: All meetings will be in the Secretary's Conference Room. They will last 1-2 hours - because they are scheduled tightly, please arrive a few minutes early and be ready to present on time.

Presentations: These briefings will be done electronically. By 1:00pm the afternoon before your presentation, please send your completed PPT to Anne Gribbin, Sheila Greenwood, Maren Kasper, Craig, and myself and cc: DeShaunta Franklin and Tanya Daggett. If your presentation is on a Monday, please send your presentation no later than 2:00 PM on the Friday before the weekend. Please bring up to (4) staffers you believe to be crucial to the content of the presentation or ability to answer questions. Also, please have print-outs available in case we experience technological difficulties.

Areas of focus: As indicated in the template (re-attached here), the goals of these presentations are to deliver key information to Secretary Carson and allow him and key staff to answer questions about your offices. Please plan your presentation to ensure that you address everything in the template, including any Items Requiring Immediate Attention.

AMERICAN OVERSIGHT

I welcome questions - and appreciate your ongoing support.

Thank You!

Janet/Craig, below is the e-mail from the second complainant. As you will see, the information provided is very similar or the same as the information provided by the first complainant. This individual apparently also sent their complaint to the Ethics Division in OGC. As mentioned in the e-mail I sent a few minutes ago, I think it would be helpful to meet for a few minutes tomorrow afternoon to discuss the best approach forward. Let me know. Thanks very much, John

Hello all -

Thanks for all your work thus far to brief the Beach Head Team on key issues and regulations. Office Presentations are now scheduled for the next two weeks with Secretary Carson.

Logistics: All meetings will be in the Secretary's Conference Room, Room 10233. They will last 1-2 hours - because they are scheduled tightly, please arrive a few minutes early and be ready to present on time.

Presentations: These briefings will be done electronically. By 1:00pm the afternoon before your presentation, please send your completed PPT to Anne Gribbin, Sheila Greenwood, Maren Kasper, Craig, and myself and cc: DeShaunta Franklin and Tanya Daggett. If your presentation is on a Monday, please send your presentation no later than 2:00 PM on the Friday before the weekend. Please bring up to (4) staffers you believe to be crucial to the content of the presentation or ability to answer questions. Also, please have print-outs available in case we experience technological difficulties.

Areas of focus: As indicated in the template (re-attached here), the goals of these presentations are to deliver key information to Secretary Carson and allow him and key staff to answer questions about your offices. Please plan your presentation to ensure that you address everything in the template, including any Items Requiring Immediate Attention.

I welcome questions - and appreciate your ongoing support.

Thank You!

Janet

Annual Global Leadership Awards
Changed:
2017 marks the 20th anniversary of Vital Voices Global Partnership and it promises to be an exciting year for the organization. The Global Leadership Awards will honor pioneering women who are taking on the most urgent issues of our time in ever-more creative, groundbreaking ways. They are exemplary of the women they sought to empower when Vital Voices was founded almost two decades ago. And they are a reminder of all the work that is yet to be done.

This year, the honorees are:

QUEEN RANIA AL ABDULLAH
Her Majesty The Queen of the Hashemite Kingdom of Jordan
A humanitarian who uses her platform to improve the lives of women, children and refugees, and champions increased tolerance and compassion around the world.

NADIA BUSHNAQ
Founder & Executive Director of the Family Guidance and Awareness Center (FGAC), Jordan
An equal rights advocate from Jordan who offers refugees access to justice and counseling.

ELSA D'SILVA
Co-founder and Managing Director of Safecity, India
A digital activist who uses crowdmapping to expose harassment and respond to sexual violence in India.

CHIEF THERESA KACHINDAMODO
Senior Chief of Dedza District, Malawi
A Malawian District Chief who is singlehandedly reversing harmful cultural practices that keep girls out of school.

ARIELA SUSTER
Founder & Creative Director of Sequence Apparel LLC, El Salvador
A social entrepreneur who's disrupting El Salvador's gang culture by employing and educating at-risk youth.

This inspiring evening brings together the visionaries - committed individuals, evolved corporations, civil society and global thought leaders to help us shine a spotlight on these extraordinary women. Joining us on the stage will be presenters and speakers, such as

AMERICAN OVERSIGHT

Vital Voices founder and former Secretary of State Hillary Clinton, Vice President Joe Biden, Sally Field,Diane von Furstenberg, Tina Brown, Ambassador Melanne Verveer, Chelsea Clinton, Nicholas Kristof, First Lady Laura Bush,Ben Affleck, Angelina Jolie, former President Bill Clinton and Reese Witherspoon who have joined us in the past.

There is so much to celebrate: our 20th anniversary, International Women's day, and our remarkable honorees.With your support, we can continue to invest in these bold, innovative leaders - partnering with them to create the more peaceful, prosperous, equitable world they imagine. If you are interested in partnering with Vital Voices and sponsoring the event, please see the completed sponsorship deck here.

AMERICAN OVERSIGHT

**U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT**
WASHINGTON, DC 20410-3000

OFFICE OF ADMINISTRATION

Mr. Austin Evers
American Oversight
1030 15th Street, NW
B255
Washington, DC 20005

RE: Freedom of Information Act Request
FOIA Control No.: 18-FI-HQ-00218

Dear Mr. Evers:

This letter is the final response to your Freedom of Information Act (FOIA) request dated and received on November 2, 2017. The FOIA request is currently the subject of litigation you filed in U.S. District Court for the District of Columbia, *American Oversight v. U.S. Department of Commerce, et al.*, Civil Action No. 18-0534. You asked for copies of all calendars or calendar entries for any of the following individuals employed by the Department of Housing and Urban Development between the date of January 20, 2017, to the date a search is conducted, including any calendars maintained on behalf of these individuals (e.g., by an administrative assistant or a scheduler):

1. Secretary Ben Carson.
2. Pamela Hughes Patenaude, Deputy Secretary.
3. Sheila Greenwood, former Chief of Staff.
4. Deana Bass, former Deputy Chief of Staff.
5. Calendars maintained for the Secretary's Conference Room.
6. Calendars maintained for the Deputy Secretary's Conference Room.

Your request is granted in part. In a letter dated August 10, 2018, you were informed the Department had processed 647 pages of the search results for this request. In a letter dated September 11, 2018, you were informed the Department had processed 1,016 additional pages (released 1,014 pages on that date). In a letter dated October 12, 2018, you were informed the Department had processed an additional 894 pages of the search results. In a letter dated November 16, 2018, you were informed the Department had processed an additional 1,127 pages of the search results. The Department has processed the remaining 2,127 pages of the search results for this release. This release includes the calendar entries of Pam Patenaude (52 pages) and Deana Bass (2,075 pages). This release also includes the final two pages from the Alexander Stowe calendar that were still under review at the time of the September release of the Stowe calendar. Thus, this final release contains a total of 2,129 pages.

AMERICAN OVERSIGHT

The Department is withholding access codes, cell phone numbers, personal appointments (medical), family member names, and personal email addresses under Exemption 6 of the FOIA, because release of such information would constitute an unwarranted invasion of personal privacy. The interest of the general public in reviewing these portions of government documents does not outweigh the individuals' right to privacy. The Department is also withholding portions of calendar entries under Exemption 5 of the FOIA. Exemption 5 protects communications that are inter-agency or intra-agency, which would not be available by law to a party other than an agency in litigation with HUD, and are exempt from disclosure. The release of this internal information would reflect HUD's pre-decisional, deliberative process, and would discourage open and candid advice, recommendations, and exchanges of views within the Department, which could bring about public scrutiny of the individuals and the need to justify in public their tentative opinions.

The Department has completed review of and released 5,811 pages that were responsive to your request.

I am the official responsible for this determination based on information provided by the Department's Office of General Counsel. You may appeal this determination within 90 days from the date of this letter. If you decide to appeal, your appeal should include copies of your original request and this response, as well as a discussion of the reasons supporting the appeal. The envelope should be plainly marked to indicate that it contains a FOIA appeal and be addressed to:

U.S. Department of Housing and Urban Development
Attention: FOIA Appeals
Office of Ethics and Appeals Law Division
Office of General Counsel
451 Seventh Street, SW, Suite 2130
Washington, DC 20410

Telephone: (202) 708-3815

You may also submit your appeal online at:
http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/foia/foiaappeals.

In addition, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows:

FAX: 202-741-5769
Email: ogis@nara.gov

AMERICAN OVERSIGHT

For your information, your FOIA request, including your identity and any information made available, is releasable to the public under subsequent FOIA requests. In responding to these requests, the Department does not release personal information, such as home address, telephone number, or Social Security number, all of which are protected from disclosure under FOIA Exemption 6.

If you have any questions regarding your request, you may contact Eugene McGirt at (202) 402-4315. Thank you for your interest in the Department's programs and policies.

Sincerely,

Deborah R. Snowden
Deputy Chief FOIA Officer

Subject: RE: QUICK CALL: Follow-up on CDBG-DR

Yes, we have time to meet tomorrow before notifying the appropriators and beginning any discussions with the GLO. And no, we have not told the appropriators the 57.8 mm is going to Texas. The notification to the appropriators is a formality in the sense that we are required to notify Congress of such allocations but our allocation decisions are within the Secretary's discretion.
When do you want to discuss?

Neal - After discussing a bit more with folks here, do folks have time to discuss strategy early tomorrow morning BEFORE you meet with the appropriators and begin any discussions with GLO?
There are some considerations on the overall (b)(5) Deliberative Privilege (b)(5) Deliberative Privilege, and we need to talk through with you (b)(5) Deliberative Privilege (b)(5) Deliberative Privilege
And to clarify, since the appropriators signed off on a shorter notification already, does that mean they already know it's going to TX? Is tomorrow's notification to the appropriators just a formality?
If tomorrow at 9AM works for folks, I'll send around an invite. Otherwise, feel free to suggest an alternate time.
+ Jessica and Maren
Thanks.

Howdy Jessica: our plan is to announce the $57.8 mm this Friday. We have touched base with the White House IGSA and they approve. Here is the proposed timeline:

1. Notification of appropriators--they are good with one day. We will let them know tomorrow.
2. SOHUD to call TX Governor on Friday: time TBD. CIR is working to set this up.
3. I will make a call to TX Land Commissioner Bush: after call to Governor.
4. HUD to issue press release early Friday afternoon.
5. HUD to prepare and subsequently issue brief Federal Register notice formalizing allocation and providing guidance.

The conversation with the Commissioner will include discussion of and recommendation on use of the funds consistent with our previous discussions.
Please let me know if you have questions or need additional information.

Thanks for the call today and the information that the Deputy Secretary wants a tour of our office and emergency information. I would recommend her coming down to our area Room 10251 and then a tour of the HUD Emergency Operations Center (HEOC) on the 6th floor. Rena Holland is in charge of that area and I CC'd her above. If there is an emergency like 9/11 the HEOC would be the primary poc for the Deputy Secretary. I am free most of next week, so whatever works with Rena and the Deputy Secretary is fine with me.

Good afternoon,

Towanda and I have spoken about this and wanted to let you know that occasionally you will be contacted about pending labor disputes. We highly recommend that you refrain from responding to the unions directly and that you direct any questions you may have about any pending labor relations issue to us.

The below issue stems from PIH's implementation of a "Single Point of Contact" model of business. The initiative is intended to enhance service delivery to the public by assigning duties differently within PIH. (b)(5) (deliberative process)

PIH Single Point of Contact

_____

Brothers and Sisters,

AMERICAN OVERSIGHT

Many of you have heard that Public Housing employees received notice of a meeting this Thursday, during which PIH employees will be briefed on the new "Single Point of Contact business model." Attached to the meeting notice is a new "training schedule" for the many new duties that will be assigned to PIH employees nationwide.

AFGE is in the middle of negotiations with management on this new initiative. A mediator has been called in to help the Agency and the Union work through their points of disagreement. Dates to continue this process were requested by the Union, with no response from management. Instead, management has decided to just move forward without addressing the employee concerns raised by the Union.

As many of you will soon find out, the "Single Point of Contact business model" means that PIH employees will be assigned multiple jobs. Management plans to expand job duties. Training for these new job duties will be truncated and inadequate, setting employees up for performance issues. For example, employees assigned to a new "Portfolio Management Specialist" position will receive two hours of training on compliance reviews, two hours of training of PHA budget analysis and two hours of training on grants management, to name a few.

This wide-scale reassignment of Public Housing personnel to new job duties and new position descriptions is ill-advised, poorly planned and directly contrary to the statements made by Chief Operating Officer David Eagles at today's Town Hall. When asked about reassignments, Mr. Eagles stated that he "couldn't answer the question" about reassignments, even though the Single Point of Contact roll-out meeting is scheduled for tomorrow.

This is what you can expect from the new "HUD Reform" effort. We expect to see more of this as HUD "Reform" progresses - more burdens being put on front line employees with no additional resources or training to perform newly assigned duties. Make no mistake, the Single Point of Contact initiative is setting employees up for failure. It can take months if not years to be trained in some of these new job functions. These are reassignments, plain and simple.

Management's refusal to honor its contractual and statutory obligation to negotiate is yet another example of what we have come to expect from OCHCO's "Employee and Labor Relations" Division - a refusal to acknowledge employee concerns and work to resolve them.

AMERICAN OVERSIGHT

You have seen over a half dozen "postings" over the past year and a half, notices posted on bulletin boards or sent by email containing management's acknowledgement that they will not violate the Federal Labor Relations Statute and will not refuse to bargain with the Union. And yet, they have again refused to negotiate a vital issue that will affect you as employees.

AFGE will be filing another Unfair Labor Practice charge on the Single Point of Contact initiative. I encourage all affected PIH employees to keep a record of how they are adversely impacted by the new Single Point of Contact model, as this information will be helpful in the Unfair Labor Charge proceedings

Subject: Fwd: 2017-KC-0008 GNMA Nonbank Oversight Final Audit Report

Pam and Beth -
Apologies for not including you on the email below. For your awareness, the attached is an OIG audit regarding the increased presence and Ginnie Mae's oversight of non-bank issuers/servicers.

Pam - this topic is something to add to our list of items to discuss when we provide you with a Ginnie Mae briefing. As mentioned below, not many surprises in the report and something that is already top of mind for the agency.

Beth - The topic of the report is somewhat relevant for our DoJ meeting on Monday, but much of this is captured in the slides we sent to Dana.

Thanks,
Maren

Begin forwarded message:

Hi All,

Want to make you aware of an audit that will be published on the OIG website in the coming days. Not much in the report comes as a surprise. Rather, we think it continues a dialogue that we have a regular basis regarding the shift from banks to non-banks. We are in agreement in that our oversight and risk management can continue to evolve to address the shift in counterparties, and it is important to note, these are already areas of focus for GNMA.

AMERICAN OVERSIGHT

Once we put together our corrective actions for OIG, we will share our plan to address findings with the team.

Thanks,
Maren

Presentations: These briefings will be done electronically. By 2:00pm the afternoon before your presentation, please send your completed PPT to Anne Gribbin, Sheila Greenwood, Maren Kasper, Craig, and myself and cc: DeShaunta Franklin and Tanya Daggett. If your presentation is on a Monday, please send your presentation no later than 2:00 PM on the Friday before the weekend. Please bring up to (4) staffers you believe to be crucial to the content of the presentation or ability to answer questions. Also, please have print-outs available in case we experience technological difficulties.

Areas of focus: As indicated in the template (re-attached here), the goals of these presentations are to deliver key information to Secretary Carson and allow him and key staff to answer questions about your offices. Please plan your presentation to ensure that you address everything in the template, including any Items Requiring Immediate Attention.

I welcome questions - and appreciate your ongoing support.

Thank You!

Janet

Good Morning Team-

As part of our efforts to reimagine the way HUD works, we have invited scholars from the Mercatus Center at George Mason University to give a one and a half hour training session on regulatory reform to all political appointees. This will take place next Wednesday immediately following our all-political meeting, at 10:30am.

I understand many of you have busy schedules, but please make a concerted effort to attend at least part of this training session and collect the materials and books they have promised to provide.

Thank you all, and keep up the good work!

David
